

Scholastic Champions

The N.C. State Scholastic began in 1973 -- and focused mainly on high school players. In the first few years, the tournament was entirely open, with all players competing in one section. As the tournament grew, grade sections were added, and "Under" sections too. In some years, there were K-6 and K-5 sections. In this table, those winners have been combined.

North Carolina State Scholastic Champions: 1973 - Present

Year	Location	Players	K-12	K-12 U1400	K-8	K-8 U1200	K-5	K-3	K-1	College
